

PARAJE CALIFICADO TERROJA

× Area: **1.60 ha**

× Soil: TERROJA

× Varieties: XARELLO

× Products:
RESERVA FAMILIAR 2008

× Description:

Terroja is a vineyard in the valley of the Bitlles river, scarcely two hectares in size, on the intermediate terraces. The soil has special geological characteristics: it's highly evolved, of an intense reddish colour, with good drainage and a moderately fine texture. There is a limestone calcareous crust at less than a metre deep, with a strong structure and high porosity. The Xarel·lo variety achieves optimum ripeness in this soil, bringing out its varietal typicity and aromatic power.

✕ Grape varieties: XARELLO

✕ Analysis:

ALCOHOL CONTENT: 12% VOL.

DOSAGE: NON-DOSAGE.

TOTAL ACIDITY (TART. ACID): 7.6 g/L.

✕ Description:

100% Xarel·lo. A cava with very fine and persistent bubbles, a complex aroma with fresh notes of fennel and thyme on a background of ripe fruit and toasted notes. In the mouth it's dense, silky, well-structured and very balanced, showing depth and volume and very long-lasting. The wine rests on its lees for a minimum of 60 months in the bottle.

✕ Importer: Albion Wine Shippers, Ltd.
