

PARAJE CALIFICADO FONT DE JUI

✕ Area: **22.5 ha**

✕ Soil: Chalky clay with patches of sand next to the river and very rocky in the higher, dry zone.

✕ Varieties: 15 ha XARELLO / 7.5 ha MACABEO

✕ Products:

III LUSTROS / CELLER BATLLE / ENOTECA

✕ Description:

The Font de Jui vineyard lies between the Anoia river and its south-facing slopes. Its lands, worked using organic and biodynamic techniques, surround the winery. It contains plots of more than one variety considered essential for the wine's identity.

Gramona

CAVA DE PARAJE CALIFICADO ENOTECA 2002

BRUT NATURE

Gramona

✕ Grape varieties: 75% XARELLO / 25% MACABEO

✕ Analysis:

ALCOHOL CONTENT: 12.5% VOL.

DOSAGE: NON-DOSAGE.

TOTAL ACIDITY (TART. ACID): 6.1 g/l

✕ Description:

We carry out every step in producing our wines, from the vineyard to the bottle. We harvest the grapes by hand, use a sorting table, gravity to unload the grapes and then we press them whole.

Aged in racks for over 180 months. 100% traditional process. A cork top is used while the cava is laid down in the silence of the cellar, allowing it to be aged for longer. Use of racks. Riddled and disgorged by hand. Brut Nature, the character of the land and its setting. < 3 grams of residual sugar per litre.

✕ Importer: Berry Brothers & Rudd.
